Update, Praises and Petitions

September 28, 2011

Verse for the Week:

"Nevertheless, with most of them God was not well-pleased; for they were laid low in the wilderness." 1 Cor. 10:5
God was not pleased with the attitude and actions of most of the Israelites who He delivered from slavery in Egypt- Only 2- Joshua and Caleb entered the promised land- the rest-even Moses were laid low and died in the wilderness. Is God well pleased with me and you?

Quotes for the Week:

"Just two choices on the shelf, pleasing God or pleasing self." Ken Collier
"We are not perfect in character, any one of us—we are only perfect in position." Charles Spurgeon
"To please God even a little is infinitely greater than to have the acclamations of all our race throughout the centuries"- Charles Spurgeon

On Science and the Bible...

The first three verses of Genesis accurately express all known aspects of the creation- (Gen.1:1-3) Science expresses the universe in terms of : time, space, matter, and energy. In Genesis chapter one we read: *"In the beginning, (time) God created the heavens, (space) and the earth, (matter)... Then God said, "Let there be light, (energy)."* No other creation account agrees with the observable evidence.
